Great Investments on the Last Day of October.

(In Our Men's Store—Main Floor, East.)

The Fall season virtually closes on the last day of October. The Great Winter Stocks are pouring in. Our regiments of Magnificent Winter Overcoats clamor for recognition. But vast as the floor space is, we are very much crowded for room. There is a simple and effective way of "Making Room." It requires courage to deliberately "cut deep" into values already beyond competition. Still, that's our method. We have collected every Fall Suit, Top Coat, Raincoat and Fall Overcoat that does not belong to a regular assortment of styles and sizes and irrespective of former prices or present values, have marked these Eight Hundred Garments

TEN DOLLARS EACH SATURDAY.

First in the assortment are the splendid wearing Worsteds in dark effects. Stylish Sack Suits.

Next the popular "Double and Twist" Cassimeres, in gray, brown and Oxford combinations. Also the newest Fancy Cheviots in mottle effects and overplaid.

Then the conservative mixtures and Oxford Diagonals—a very scarce fabric at present.

Last, but most important: The great family of Blacks—Clay Diagonals, Tibets and Cheviots (Cutaway Frocks in this group).

The very latest models of Sack Suits, both single and double breasted.

Your **\$10** Every Style.

Choice **\$10** Every Fabric

Saturday, **\$10** and Size.

There are very few "Safe Investments" these days. It will require no argument on our part to convince you of the "Stability" and "Compound Interest" returns of Comfort and Satisfaction that these investments will bring you. One glance is sufficient.

A group of Pure Silk-Lined Top Coats, Tans, Olives, Blacks and Oxfords. Style in every line—Garments of Pedigree.

Close by you'll see Covert Cloths in all shades, fine Serge linings, Satin Sleeves. And, a feature in themselves—Rain-Proof Coats that are just what the name implies. We will astonish you—we've done it before.

Great Investments at Ten Dollars.

The Men's Overcoats.

A Thousand Pairs of Men's Fine Trousers

Very little attention is paid to Trousers by most clothiers. It's strange, too! The Trousers are always in evidence, hence they are the most important part of Man's Apparel. We devote great attention to our Trousers Store.

In the present offering at our popular price you will find every good fabric. Neat Striped Worsteds, soft finish Cassimeres and striking Cheviots. Every coloring, Slate, Gray, Brown, Navy and, of course, Black. But here only can you find (at that price) every size to fit every build. Waist measures, 31 to 52 in. Length measures, 28 to 37 in.
